

Cupboard Supply prides itself on providing quality products on time, every time. Cupboard Supply is able to maintain a high level of efficiency and therefore are able to wholesale their top quality products at highly competitive prices in a very short span of time. In turn, this service enables their clients to operate professionally, reliably and efficiently, while keeping their operating costs to a minimum.

CUPBOARD SUPPLY IS SERVICED BY MAXIMA SOFTWARE, OUR VALUE ADDED RESELLER:

Maxima Software has been in operation since 2001—providing design, sales and manufacturing solutions for the kitchen, bathroom and interior design industries. They have been a 2020 Authorized Partner and a 2020 Fusion reseller for over 15 years and provide service in Botswana, Namibia, South Africa, Zambia and Zimbabwe. Maxima Software develops, supports and distributes innovative software solutions that include:

- 2020 Fusion—bathroom and kitchen planning software that creates photo-realistic technical designs
- MaxCut—Optimization software that integrates with 2020 Fusion
- MaxERP—Online manufacturing software providing costing, cut-lists, optimization, tracking and more

These products along with a dedicated support staff provide their clients with the cutting-edge solutions required to be successful in the industry.
