2020 Training

1-Day Classroom Training

Classroom training gets you out of the office, away from your phone and allows you to concentrate in a dedicated learning environment. 2020 will provide the facility, computers with the software installed, electronic manuals and our professional trainer. We offer bronze, silver and gold courses depending on you educational level.

Pricing is £395 for the 1-day session.
Class size limited to six students. Group discounts available.

> **View the training schedule at 2020spaces.com/uktraining**

Benefits

Live
All classroom courses are live and instructor led with no more than six students in each course. They are comprehensive, covering a variety of topics.

Intensive
One day of dedicated, continuous software training.

Focused
Students are at a dedicated site/location for a specified period with minimal distractions.

Comprehensive
The complete set of course topics are covered in a preplanned, organized fashion to maximize learning over a limited time.

Custom
Onsite training courses may be adapted to specific needs and business processes.

Personal
In-person interaction promotes closer attention to individual student needs.

Who should attend which training course?

Bronze Course
- New users with little or no knowledge of 2020 Fusion
- Must have experience using a mouse and keyboard
- Must have basic MS Windows 10 knowledge
- Must have basic understanding of kitchens or bathrooms

Silver Course
- Users who have some experience or have attended the 2020 Fusion Bronze course
- Must be able to put together basic room layouts unassisted
- Must be able to select and change styles and colours
- Must be familiar with plan, elevation and perspective view
- Must be familiar with the use of auto features, auto lighting and auto graphics

Gold Course
- For experienced designers who want to create better quality images and reduce the time taken to complete a design
- Must be fully familiar with the basic functionality of 2020 Fusion
- Ideally, will have already attended the Bronze and Silver courses

Onsite Customized Training

Onsite training is held at your facility and you will work with a professional trainer to customize the class agenda to fit the specific needs of your students. We would like to see this set up in a typical classroom style. It is highly recommended to provide a computer for each student, an overhead projector or large tv for the trainer to connect to.

Pricing is £995 per day (Early bird £845*), plus travel expenses for one trainer.

Class size limited to six students.

Onsite training is available on request. Please contact our training team for a quote: uktraining@2020spaces.com

1:1 Online Training

Sign up for one or more of our 3 hour, instructor-led, virtual classes to maximize your investment in 2020 software. All virtual classes are hands-on. We recommend that you already have 2020 software installed, can connect with high-speed internet, use a headset or speakerphone for the teleconference and sit in a quiet area to avoid distractions.

Pricing is £395 per session (Early bird £335*), per delegate.

One-on-one online training is available on request. Please contact our training team to schedule a training session: uktraining@2020spaces.com

*Early bird pricing is 30 days in advance.

2020 Cloud

2020 Cloud is a new and innovative way to access catalog content in 2020 Fusion! Gone are the days of manually installing catalogs. Just start up 2020 Fusion and get immediate access to hundreds of items directly from your application's interface. All cloud items are guaranteed to be up-to-date and are certified to work with your software.
