2020 AUTHORIZED PARTNER

2020 Cap Complete, the all-in-one space planning office design application.

This new version of our industry standard software is equipped with the same powerful drawing and space planning capabilities as the original 2020 Cap, with the addition of a built-in CAD system.

2020 Cap Complete gives users the ability to design, specify and visualize office spaces, incorporating a robust, fully integrated CAD system that simplifies your work.

We are committed to our customers.

New Customer Onboarding

- We want you to be up and running as soon as possible. Within 24 hours of your initial purchase, we will invite you to join an onboarding webinar where you will learn how to quickly get your 2020 Cap Complete software up and running and how to access all the resources you need.

- Our customer success team is dedicated to your success. For 24 months after initial purchase, a representative from the customer success team will contact you on a regular basis to assess your needs and address your questions.

Product Support

- Product support: How can we help you? Just send us an e-mail

- Product upgrades: Access 2020 Cap Complete product upgrades directly from your 2020 Cloud Account—access updates here

- 2020 Knowledge Center: Search our how-to articles to quickly get answers to common questions
